1. BACKGROUND

The Chemical Industries Education and Training Authority (CHIETA) requires the services of a suitably qualified service provider to provide rural and township outdoor billboard advertising at strategic locations in the vicinity of The Northern Cape Smart Skills Centre (Fraserburg New Library).

The Northern Cape Smart Skills Centre (Fraserburg New Library) was established to provide digital skills development, ICT training, and technology-enabled learning opportunities to youth, job seekers, entrepreneurs, and community members across the Northern Cape Province. Despite the availability of these programmes and services, learner enrolment and public awareness of the centre remain below the desired levels, being the lowest visited smart skills centre. The installation of a strategically located billboard is proposed as part of an awareness campaign aimed at reaching a wider audience, particularly unemployed youth, students, and individuals seeking skills development opportunities. The billboard will serve as a highly visible marketing tool to communicate the center's offerings and encourage prospective learners to enroll in available programmes.

The appointment of a suitably experienced outdoor advertising service provider is therefore required to identify, secure, and manage strategically located billboard sites that provide maximum visibility to the intended target market.
